**REDUCES WASTE**

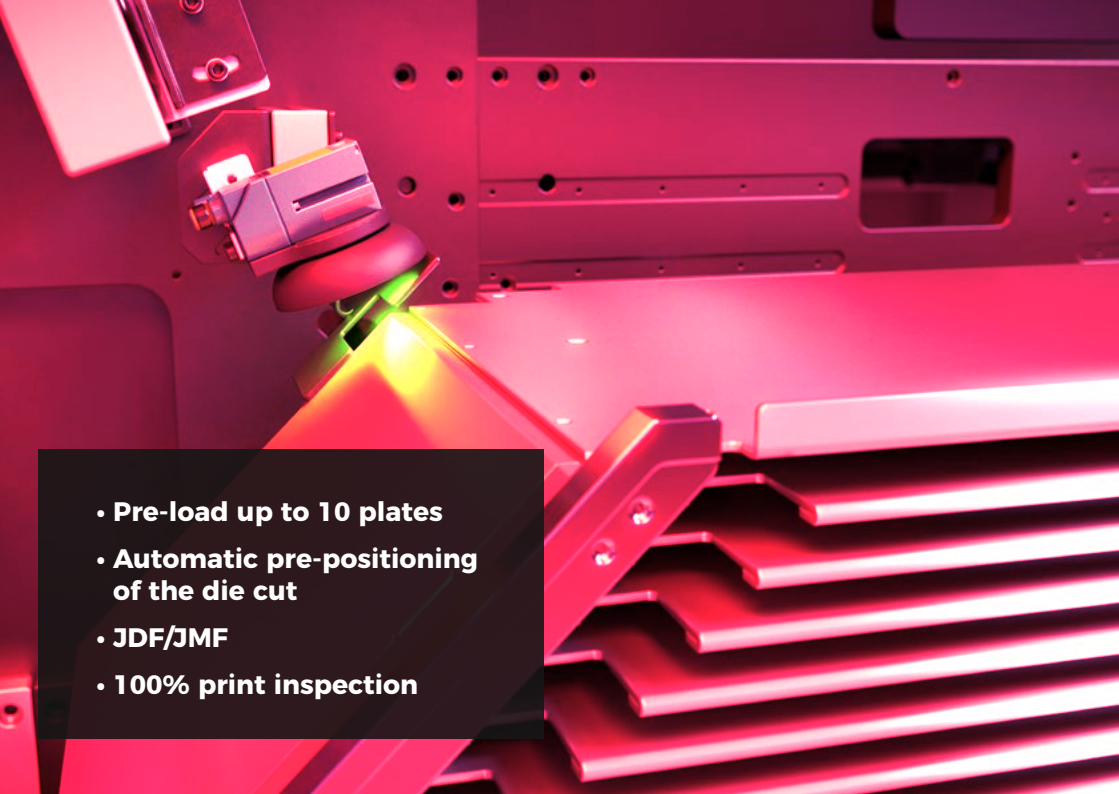

**IMPROVES EFFICIENCY**

**DELIVERS EXACTING RESULTS**

The combination of the patented fast track die along with the new auto die cassette system reduces manual intervention and downtime. Resulting in improved efficiency.

The turret integration provides a seamless work-flow.

**Allowing reliability, accuracy and productivity**

- 
- **Pre-load up to 10 plates**
  - **Automatic pre-positioning of the die cut**
  - **JDF/JMF**
  - **100% print inspection**

**Advanced connectivity technology is used throughout. QR codes are scanned at multiple points ensuring workflow is smooth and enabling you to queue jobs.**
